1	That's a fact.	2	You know that's not true.
3	You know there's more to it than that.	4	What happened to...
5	Why?	6	Who stood to lose the most?
7	Who stood to gain the most?	8	What kind of sick bastard...
9	You just now figured this out?	10	Not going to dignify that with a response.
11	Let's cut a deal.	12	Let's get out of here.
13	I should hope so.	14	I should hope not.
15	Why are you asking me?	16	I'm as baffled as you are.
17	It seems pretty obvious.	18	Could be better.
19	Could be worse.	20	Wait, what's that behind you?
21	Everything seems on the level.	22	Seems about right.
23	It's all gone wrong!	24	You don't think so?
25	Definitely not.	26	I'm hungry.
27	Let's discuss it.	28	Now is not a good time for talking!
29	I don't know.	30	What's your gut tell you?

3	Look out!	Duck.	Watch out.	I'm outta here.	I've got your back.	Ouch!
4	Why don't you tell me?	...	Follow the money.	Why me?	Hmmm?	What kind of sicko...
5	I say we help someone out.	Do it.	Roger.	Are you sure?	Whatever you say.	We got this.
6	Why do you think that?	Why?	Who stood to gain?	What can I get out of this?	I could use a stiff drink.	I'm hungry.
7	What makes you ask?	What?	What are your orders?	I'll try.	My secrets are my own.	You don't think so?
8	Absolutely, 100% true.	Yes. Right.	You're dead on.	Yes, yes, uh huh, yes.	Sure, whatever you say.	Seems on the level to me.
9	Well, that's mostly true...	Yes, but...	Yes, but have you considered all the angles?	Yes, but it sounds dangerous.	Yes, but why?	Seems pretty obvious, but maybe we're missing something?
10	You got it.	Yes	As you say.	Yes, I think.	You always have the best ideas.	Obviously so.
11	Nope.	No	No.	No way!	I don't think so.	Obviously not.
12	You don't quite have it pegged.	No, but ...	Perhaps we could try something else.	No, but I think I see a way it'd work.	Won't work, but it's sweet you thought it would.	That seems sound in principle, but what have we overlooked?
13	That's completely wrong.	No, and ...	Not going to happen.	No, no, no!	Not even if you paid me double.	Not a chance.
14	You don't think so?	Whattya mean?	Explain.	Sounds messy, can't someone else do it?	Oh, the stories I could tell...	Ask someone else.
15	Why?	Huh?	What's your gut tell you?	Let's cut a deal.	You just now figured this out?	Let's discuss it with the rest of the team first.
16	Let's do this thing!	Go.	Locked and loaded.	If you think so, let's go.	I'm not getting any younger.	We're burning daylight.
17	I got nothing.	Shut up.	I don't know.	Why are you asking me? I don't know nothing!	I'm as baffled as you are.	Not even going to dignify that with a response.
18	Shit!	Move.	Behind you!	Oh, crap, oh crap, oh-	Now is not a good time for talking!	It's all gone wrong!
